Once your registration has been accepted, we will send you an e-mail within two working days.

Application Deadline : May 16 sun

3:40pm - 4:10pm

**A Technological Platform
for Interactome Screening
Between RNA and
Biomolecules**

**Tamaki
Endoh**

Associate professor
Konan University,
FIBER

4:10pm - 5:00pm

**Nucleic Acid Aptamers
to Control Cellular
Functions and
Fates**

**Shinsuke
Sando**

Professor
The University of Tokyo
Department of Chemistry & Biotechnology
